

## How to find Villa della Rosa B & B on Tamborine Mountain

Villa della Rosa is about 1 hour drive from Brisbane and 35 minutes from the Gold Coast.

To find your romantic Hideaway is easy – take the Tamborine exit No 57 on the M1 Pacific Highway, which is located just north of the theme parks Movieworld and Wet'n'Wild.

From M1 exit 57 head inland taking route 95 the “Tamborine – Oxenford Road”, following the signs to Tamborine Mountain. Once on top of the mountain, follow the signs to North Tamborine.

In North Tamborine you will see a small SHELL service station on your right, turn right immediately after into “Beacon Road”. From here, the brown tourist signs will help you all the way to Villa della Rosa B & B.

Note, once you get to the end of “Kootenai Drive”, Platt Place is on your right at the very end after a steep left turn – however – “Villa della Rosa” B & B is actually on your left, opposite the sign “Denis Priest Garden”.

Villa della Rosa B & B, 5 Platt Place, North Tamborine, Gold Coast Hinterland Queensland 4272, Australia.
